ALL SAINTS NETWORK

George Town

South East

## 1. About the Parish

### What are we like now?

The All Saints Network (ASN) is a dynamic multi-church Anglican Network. Our journey began in November 2018 and today, the ASN encompasses four small-to-medium sized evangelical churches with six congregations. Together, we form a community spread across Launceston and its surrounds, including the coastal town of George Town.

Our Network is committed to a structure whereby the resources (ministry and financial) of churches are shared across the Network with a view to establishing, building up and sending out people across the north of Tasmania.

Our Network is passionate about mission and evangelism both locally and cross-culturally.

### Our Vision and Values

All Saints is God's church and our family. We believe that the best way to do this is to **'live life well together in Jesus'**.

- We do this **intentionally**; choosing to spend time in relationship with God and God's people
- We do this **together**; recognising we don't live as disciples in isolation
- We show **grace**
- We do this with **authenticity**
- We do this with **courageous obedience**

### 3. About the Diocese

The Diocese of Tasmania is a part of the Anglican Church of Australia.

The Diocesan Vision is to be a church for Tasmania, making disciples of Jesus. This vision has two aspects:

- We want to be for Tasmania — we are across the whole State, and we want to work for the good of the State and everyone in it.
- Our unique contribution to this is making disciples of Jesus — the good of the State is advanced by people meeting Jesus, trusting him, and living their lives in response to and worship of him. Making disciples is core to everything we do.

You will find more detail on the Diocesan Vision at [this link](#) on our website.

### Ordination of Men and Women

The Diocese of Tasmania encourages the ministry of both women and men in all spheres of our church life. We support the ordination of women in the Church as deacons and priests, and women have significant leadership roles in the Diocese. We recognise a diversity of views on this topic. We do not require a specific view to be held by our ministry leaders, however we expect all our ministry leaders to act with charity in accordance with this policy, and to be raising up and training more women to serve as God has gifted them.

### Training and support

The Diocese places a very high value on lifelong learning and on training and support for ministers. Parishes provide a generous annual professional development budget and 5 days per year for PD.

Every minister in the Diocese is also involved in training and development opportunities including:

- **Ministry Cohorts** — different cohorts which meet a few times a year and have content tailored to their experience, setting and stage of ministry
- **Professional Supervision** — as required by General Synod Canon, minimum of 6 sessions a year
- **Annual Ministry Leaders Day and Ministry Leaders Conference** (total 4 days per year) — a gathering of all the stipended clergy and licensed lay ministers for encouragement, learning and prayer

The Diocese also offers an Employee Assistance Program to clergy and their immediate families to assist through difficult times of life and ministry.

## 4. Conditions

Details as to stipend and allowances are set out in Schedule 3 to the **Ministry Conditions Ordinance**. Stipend and allowance rates are reviewed annually by an independent remuneration commission. The most recent rates are **available here**.

A loading on the base stipend (1.1) is offered. Other supplementary expense payments may be negotiated.

Housing is provided as part of a stipend package, and will be supplied either through:

- A house being provided (either owned by the parish or rented for you)
- At the election of the minister, a housing allowance. This usually applies if the minister elects to buy their own house.
